DIGITOGRAPHY

Digitography allows WJ to take pictures of your guests and instantly "develop" an unlimited number of high quality prints. Your guests have an instant memory of your fabulous celebration!

GREAT at any party and is perfect for all age groups; it is both an activity and a keepsake.

GIVING your guests a memento of your fantastic party is a sure fire hit plus it is unlimited so they can get multiple prints!

Each picture is placed in a fun frame with a sticker indicating the party date and the name of the guest of honor is placed on the back. A wide variety of frames are available. Our standard package includes over 50 different colorful frames.

Our basic Digitography package includes unlimited photos from 2 fast high quality printers, 50 colorful novelty frames to choose from, personalized stickers for the back of the frame and staff to operate it for the duration of your event.
