Special Events

WJ Productions is a fully licensed and insured mobile entertainment company. We pride ourselves on providing our clients and their guests with quality service and phenomenal experience. WJ Productions has performed at hundreds of events with a wide range of audiences. From on-air radio to the studio, Bar and Bat Mitzvahs, weddings and high-profile corporate events, WJ has performed there!

All of our MCs and DJs are professionally trained and carry top-of-line equipment. Our sound systems look and sound great. Our music repertoire is deep and robust ranging from the roaring 1920's to the chart-toppers of today!

Our services are flexible and adapt in range from small and personal to large-scale and public.

WJ Productions has full-service entertainment capabilities. Through years of hands-on experience, we routinely deliver top-notch performance and entertainment solutions. WJ can work with all levels of management and involvement, from concept through competition. Our capabilities range between concept development, promotion, entertainment selection, mobile engagement and large-scale sound production.

- Entertainment packages can be custom-built to meet specific event, campaign, and strategic objectives. Our database of music is a deep reserve ranging from the 1920's through current top-40's and international. For every event, we choose the right personality types, hand picked from within our ranks, and perfect for the event type.

- Most importantly, we are flexible, scalable and efficient. Nor have we missed, messed or poorly produced an event in the last ten years. Track record? We're on track, ask us for references, or better yet, ask us for a story.

We enjoy entertaining people. If we didn't, we would not be doing it. Therefore we absolutely meet established expectations and surpass them every opportunity we get. We have a large variety of additional party options such as outdoor medium-concert size sound, staging, effect lighting, video screens, instant digital printing. Our promotion abilities are static, dynamic, engaging and interactive. Our solutions are memorable. Our moments last a lifetime.
